Transcript of Paul McCartney's writing on Back to the Egg Drawing:

"This record is Produced by Paul McC & Chris Thomas

Engineered by Phil McDonald (of curly wig & brandy barrel)+ ably assisted by Mark 'Vigorous' Vigars. Not forgetting Eddie, Tim, and Phil (who phoned the echo).

Rockestra line up was Peter F. Towsend (Pete Townshend) (no relationship whatsoever), David F. Gilmour (known to his friends), Hank B. Marvin Jnr. (on loan from Bruce) , Lawrence X and Denny (see Hines) on GUITARS. John F. Bonham (of the Prize Bull), Kenneth Jones (Slough Pony Club), and Steve (O'Door) on DRUMS and too many others to mention.

Lets do this differently. OK. I give up. John Paul Jones, Gary Booker, Ronnie Lane, Bruce Thomas, and Paul F. McCartney were also present. Maurice Pert, Ray Cooper, Speedy and Tony, Thad, Havana Steve and Terry too. Alan Clarke was found wandering in E.M.I. and sings on track 7. Side one. Will anyone wishing to claim him write c/o P.O. Box 17. E.M.I. Lagos, Genuine enquiries only, please.

*The Black Dyke Mills Band were returned virtually intact to John Foster Ltd.
Narration by the owners of Lympne Castle, Kent – who do not wish (their names) to be (used as they are) identified (as they are) but here is a clue....."*
